Nice! stickers

Stick them in your home!

How to use the stickers below

- Write down the possible floodwater height in your home on the stickers.
- Put the stickers at the same height of the possible floodwater height.

- Important items should be placed above the sticker.
- When the water height reaches your knees, it will be difficult to walk.

Floodwater may reach

up to meter(s) ▼

around this area

Floodwater may reach

up to meter(s) ▼

around this area

Check the possible floodwater height in your place and prepare before typhoons come.
